Attention Jim Monger,

We spoke on the phone, I will ring you again early June to fix an appointment for you to give us an estimate for cleaning coping stones and relaying floor bricks/slabs c. 20x20 cms.

Alan,

I have asked "Blast off" to explain. I have also spoken to the other company and "Willclean" supplied by James. I suggest that we try to get a visit/estimate in June when we can evaluate the company and their offer as a committee. I have emailed Will clean to that effect. Sorry that you have had to chase blaming blast off so many times. Lets see what he replies!

Michael
